

Millennium

What do you call a place that offers world-class restaurants, Broadway-style shows, a luxurious spa and amenities that rival the grandest hotel on land? We call her Millennium; you'll call her magnificent. To sail on Millennium, the first of our Millennium-class of ships, is an experience that cannot be expressed in words. Stride her decks and see for yourself what those who have experienced her already know: Millennium is more than a ship; she is a special memory waiting to be had
