

RYNDAM

Designed to carry fewer passengers than others in her class and now enhanced with guest-pleasing upgrades and amenities, *ms Ryndam* is the perfect choice for those who wish to see the world in style. Themed around Dutch worldwide exploration, the décor features art and artifacts from the 17th, 18th and 19th centuries. On October 20, 2004, Holland America Line re-launched the spacious and elegant *ms Ryndam*, featuring dramatic product and service enhancements in virtually every area of the ship. All of the guest-pleasing improvements, upgrades and amenities are a direct result of Holland America Line's \$225 million Signature of Excellence initiative which focuses on five areas: spacious, elegant ships and accommodations; sophisticated five-star dining; gracious, unobtrusive service; extensive enrichment programs and activities; and compelling worldwide destinations

Clothing and dress code

The right clothing can make a big difference in the enjoyment of your cruise. First and foremost, dress for comfort. Daily life aboard ship and in ports of call is laid-back and casual. You are encouraged to wear whatever makes you feel most comfortable-sportswear, shorts, sundresses, slacks, and so on. Warmer climates call for clothing made of lightweight, breathable fabrics. For cooler climates casual cloths are suggested, that can be layered easily and possibly a raincoat and waterproof hat or umbrella and gloves. Bring a swimsuit-all ships have pools and whirlpools. Shoes and a cover-up over a bathing suit when walking through the interior of the ship are requested.

If you'd like to jog on deck or work out in the fitness center, bring workout gear. Footwear should include comfortable walking shoes for visits ashore and sandals or rubber-soled shoes for strolling on deck.

Evening dress falls into three distinct categories. Each night a daily program will be delivered to

your stateroom announcing the suggested dress for the following evening. Comfortable, relaxed clothing is fine for evenings designated as casual; however, T-shirts, jeans, swimsuits, tank tops and shorts are not allowed in the dining room, Lido restaurant, or public areas during the evening hours. During informal nights, dresses or pantsuits for women and jackets (tie optional) for men are standard.

On festive formal evenings, women usually wear cocktail dresses or gowns and men usually wear business suits or tuxedos. There are approximately two formal nights per week. (Gentlemen: Although business suits or tuxedos are suggested attire for formal evenings, they are certainly not required. You are welcome to wear a jacket and tie on formal nights). Formalwear for ladies and gentlemen can be pre-ordered for your use for the duration of your cruise.

In order to complement fellow guests, Holland America asks that you observe the suggested dress code throughout the entire evening.

Gratuity Policy

Exceptional service is part of the Holland America cruise experience. Because you are a guest, it is Holland America's goal to make sure you receive the finest service possible. And they have made it easy for you to reward excellent service onboard.

A gratuity of \$10 per guest per day for dining and stateroom services will be automatically added to your shipboard account on a daily basis. We are confident that you will find the service onboard exemplary and, should you wish to make adjustments, you may do so at the end of the cruise by contacting the front desk.

In terminals, airports, ports of call and on shore excursions, it is suggested that you extend gratuities consistent with customary local practices.

Bar and Wine Service Charge

A 15% service charge will be automatically added to your bar charges and dining room wine account.
