

PAUL GAUGUIN

The *Paul Gauguin* was designed specifically for sailing French Polynesia year-round. She offers an extension of the informal, relaxing environment of the islands, with Radisson Seven Seas' interpretation of six-star service, comfort and luxury. Spacious staterooms (50% with private balconies), a watersports marina, a choice of three single seating dining venues and an extensive spa are among her six-star attributes. The atmosphere aboard radiates warmth and informality. And her beloved troupe of Gauguines - part cruise staff, part entertainers, part storytellers, add the unique personality of French Polynesia to every cruise.

ACTIVITIES

The delightfully informal, unhurried and unregimented way of life of Polynesia is emulated on board. A visit to the ship's *Fare Tahiti* Gallery, featuring Polynesian art and artifacts, will introduce you to the islands' colorful heritage. The pool invites you to an early morning dip while you can enjoy a full range of complimentary watersports at the state-of-the-art retractable watersports platform.

Guest Lecturers - Each cruise is hosted by a special guest lecturer to provide fascinating insights and a greater understanding of the Polynesian people.

Watersports Platform - Watersports are a highlight of the Polynesian experience. The ship's small size allows it to navigate in shallow lagoons and narrow channels where larger ships may

not sail. With the specially designed retractable watersports platform, guests may descend to sea level where they can conveniently hop aboard a windsurfer, launch a kayak, try a little waterskiing or set out for a SCUBA diving expedition. A scuba certification program is offered on board.

Other Diversions - Play table tennis on deck. Shop for a flower-splashed pareu top to wear to the pool party in the duty-free boutique, or take a lesson in the technique of paddling an outrigger canoe. A wide selection of books is available in the Reading Gallery, and videotapes may be rented at the Reception Area on a complimentary basis.

ENTERTAINMENT

In the evening, spirits are very much alive as guests enjoy Polynesian performances, dancing, cabaret singers, a casino and the warm camaraderie of fellow guests sharing the *Paul Gauguin's* highly personal, undiluted experience of French Polynesia.

Le Grand Salon - Watch spectacular performances such as an electrifying Polynesian show featuring the arts of the islands in the main lounge. One night it might be the soaring cappella harmonies of *himene* songs. Another might feature a thrilling performance of *ote'a* - a complex line dance accompanied by drums telling the ancestral legends of the Polynesian people. Later on in your cruise, you'll have a chance to learn how to dance in true Polynesian style from our wonderful Gauguines performers.

Casino and Piano Bar - On any evening, pulses run high in the Le Casino with its blackjack tables and roulette wheel. Or when refreshments are in order, the Piano Bar provides a warmly relaxing environment.

La Palette Lounge - Sing along at the piano bar in this spectacular observation lounge atop the ship. At night it's transformed into a romantic nightclub where a chanteuse sings the Parisian blues and couples sway on the indoor/outdoor dance floor.

DINING

Paul Gauguin's restaurants are designed to compliment and enhance the dining experience, not overwhelm it. Dining is unhurried and relaxed - you may enjoy the pleasures of the table without the regimentation of assigned seating or having to rush through your dessert. Here, the constraints of formal wear, tuxedos and ties are forgotten and the only dress code is "relaxed." Complimentary wines are served with dinner, or you may select an alternative vintage available for purchase from the wine cellar. During normal dining hours, you may choose from the restaurants' menus and enjoy dinner in your stateroom or suite. A special 24-hour room service menu is also available.

L'Etoile - Enjoy fine French cuisine with a Polynesian accent amid the classic furnishings and fluted shell lighting reminiscent of one of the refined dining establishments in Paris. Here delectable cuisine is artfully presented and guests receive the most diligent attention.

La Veranda - Veranda's curved railings and sun-infused ambience might recall leisurely dining on a yacht club terrace on the Côte d'Azur. Two-star Michelin chef Jean-Pierre Vigato is the genius behind its celebrated cuisine. His original Apicius menu offered nightly in La Veranda incorporates both signature dishes and fresh creations, from Shrimp and Leek Terrine to Fresh Mahi-Mahi on a Mousseline of Bacalao.

Le Grill - Greet the sun with a buffet breakfast at Le Grill. Or enjoy lunch by the pool on a choice of grilled favorites, salads and fresh tropical fruits. At night Le Grill is transformed into a cozy indoor/outdoor restaurant serving grilled specialties in a more casual atmosphere.

SPECIAL DIETARY REQUESTS

Using the Guest Information Form, please advise Radisson Seven Seas Cruises between four and six weeks prior to sailing of any special dietary requirements you may have. General dietary needs such as low salt or low cholesterol foods can be satisfied onboard the ship just by speaking with the dining wait staff.

TIPPING

Gratuities are not expected on board; they are included in your cruise fare.

SPA & FITNESS

The Carita Spa on the *Paul Gauguin* is a one-of-a-kind sanctuary of peace and tranquility. Created by the legendary Carita sisters of Paris, enjoyed by celebrated patrons such as Catherine Deneuve and Paloma Picasso, here guests can indulge in an extensive list of exclusive beautifying services as well as the latest regimens of health and revitalization therapies. This ship is also equipped with a health club outfitted with the latest machines for fitness training.

Carita Spa & Beauty Salon - Enter a world of serenity and beauty, where the sound of fountains, the glow of cool marble and the touch of the masseuse erase all cares. Take your pick of massage, thalassotherapy, aromatherapy, wraps or steam room treatments - all skillfully administered by wonder-working hands.

Fitness Center & Aerobics Room - Exercise your options in our Fitness Center with Lifecycles, treadmills, Stairmasters and weight machines. Or work out on or under the water with windsurfing, waterskiing, kayaking, and our exclusive PADI diving program.

STAFF & SERVICES

The 1 to 1.5 service ratio assures you of the highest level of personal attention. You'll notice it in the way the Maitre d' remembers your name, in the extra personal attention you receive from the divemaster when you're learning to scuba and in the warmth of your stewardess' "bonjour" as she places a perfect ripe mango in your fruit basket. Yet surprisingly gratuities are never expected.

What to Pack - Attire ranges from country club casual to informal and formal. Country Club casual (resort-style outfits) is appropriate for daytime on board ship or ashore. Evening attire can be Country Club casual, informal or formal. Casual wear includes open neck shirts, slacks and sport outfits. For informal evenings, dresses or pantsuits, coats and ties are suggested. Formal evening-wear is gowns and cocktail dresses, tuxedos, dinner jackets or dark suits. Cruises of seven to ten days have one or two formal nights; longer cruises of eleven to fourteen days usually have three formal nights.

24-Hour Room Service - A special 24-hour room service menu is available. During normal dining hours, you may also order from L'Etoile Restaurant and enjoy dinner in your suite.

Shore Excursions - A program of shore excursions may be made available for purchase on board each ship. A shore excursion booklet will be sent in advance with final documentation. Radisson Seven Seas reserves the right to withdraw any shore excursion or land program if the required minimum passenger number is not met. Cancellation by RSSC of any of these programs does not constitute grounds for cancellation of your cruise. Shore excursion program fares are per guest and subject to space availability. Operation of these shore excursions is subject to weather conditions, flight schedule changes and local conditions. Any

cruise cancellation penalties remain in effect as per terms and conditions outlined in the cruise brochure.

Butler Service - Host a cocktail party in your suite. Make reservations at La Veranda. Have a gift delivered... Your skilled butler can do it all. Butler Service is available in the Owner's and Grand Suites and categories A and B. Radisson Seven Seas is the first and only cruise line to enjoy membership in the highly respected Guild of English Butlers.

Communications - Guests can make telephone calls directly from their stateroom. Fax messages are received and sent through the reception desk. There are two computers and a printer in the Card Room. E-mail services for sending and receiving messages are available for a nominal fee, 24 hours a day.

Medical Services - The ship's Medical Center is staffed by a doctor and a nurse and equipped to provide medical care for illness or accidents that may occur during the cruise.

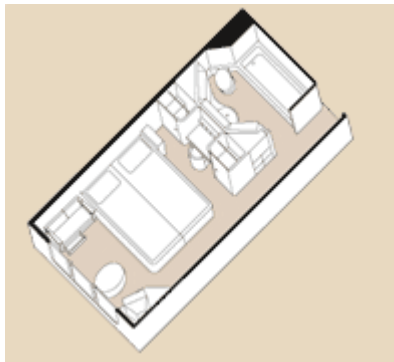

Business Services - Business equipment is available, including fax machine and copy services. Fax reception is complimentary; fax transmission and ship-to-shore phone calls are available at standard tariffs. For a nominal fee, guests may send or receive e-mail via computers on board.

Mail - Outbound mail service and postage are available on all ships at a nominal charge.

PAUL GAUGUIN STATEROOMS
