ENTERTAINMENT

On just about any night on the *Seven Seas Voyager*, you'll be tempted to abandon any thoughts of going to bed at a sensible hour. There are dazzling live performances, thrilling games of chance, romantic cabaret acts, hilarious (and sometimes quite talented) Karaoke

performances, plus dancing until you tell us when. Need a partner? One of our gentlemen hosts will be honored to spin you around the floor.

Constellation Theater - In the Constellation Theater, an expectant hush gives way to applause as the curtain opens on a spectacular performance. Dazzling Broadway musical revues are presented the state-of-the-art, two-tiered show lounge with its full-size proscenium stage. The dynamic production shows including *Oh, What a Night*, *Broadway Today* and *On a Classical Note* were created by renowned producer Peter Grey Terhune.

Casino - In the mood to gamble? Drop by the elegantly appointed Casino, where croupiers deal the cards and announce the plays with a savior-faire that would make James Bond green with envy. Gaming choices include blackjack, mini-craps, roulette, video poker, and slot machines.

Voyager and Horizon Lounge - In the Voyager Lounge, happy groups gather around the bar for a pre-dinner cocktail as the obliging pianoman renders faithful versions of your favorite songs. It's only a few steps to the Compass Rose Restaurant, so you may well linger awhile. Oh, yes, we didn't forget about the dancing. Make your way back to the stunning Horizon Lounge where a dance floor in the shape of a three-quarter moon overlooks the sea.

Lounges & Cigar Bar - Settle into a comfortable English club chair in the Connoisseur Club, and light up a hand-rolled cigar from the climate-controlled humidior. Or watch for falling stars in the romantic Observation Lounge accompanied by the grand piano or, perhaps, a cabaret artist.

ACTIVITIES

With one of the highest space ratios at sea, *Seven Seas Voyager* offers an unusual array of pleasurable pastimes - including some activities rarely available even in the finest resorts on land. Contract Bridge, for example, complimentary computer classes, art auctions and classes in ballroom dancing. However, to do or not to do is up to you.

Guest Lecturers - On each voyage, a guest lecturer drawn from the highest ranks of the Diplomatic Service, leading universities or museums presents informal talks or slide shows about the unique places you'll be visiting. Learn about the Incas of Peru on a South America cruise, for example, or a lecture on Renaissance Florence on a voyage around Italy.

Classes and Workshops - *Bridge Masters & Computer Classes*: Guests who prefer to take a cyberpath to enlightenment will find at least 14 computers in the Club.com, 4 computers in the Internet Café, and both color and laser printers, all available for a nominal charge. Free computer classes include *Introduction to E-mail* and *Advanced Word Processing* and *Digital Photography* may also be available. Or if bridge is your game, a certified Master Bridge instructor can teach you the fine art of contract or duplicate bridge in the card room.

Le Cordon Bleu® Workshops: Our exclusive Le Cordon Bleu Class Culinaire is available on select sailings, a hands-on experience taught by chefs trained in the Le Cordon Bleu method of classic French cooking. There is a charge of \$395 per guest for this exclusive course.

Sports Activities, Pool and Whirlpool - Deck 12 is devoted to sports with golf cages, shuffleboard, paddle tennis and a full-circle jogging track. One flight down, the teak pool deck is one of the most expansive at sea, includes a large heated pool, two whirlpools, table tennis, and a Pool Bar and Grill.

Other Diversions - Additional options include art auctions and a library well stocked with books, DVD's and assorted games. There are duty-free boutiques and a Photo Shop with film

and camera equipment. And every afternoon, high tea accompanied by fresh scones and other delicacies is served in the Horizon Lounge.

Club Mariner Youth Program - Club Mariner is a program offered on several RSSC ships during the summer months and the holiday seasons. Available on the *Seven Seas Mariner*, the *Seven Seas Navigator*, and the *Seven Seas Voyager*, Club Mariner offers a variety of activities for children ages 5 - 9, 10 - 13 and 14 - 17.

Young cruisers are divided into three age groups, and activities are designed for each group. Our Club Mariner counselors have many activities, including games, craft projects, movies, and "food fun" to make sure each child has a memorable experience. Teens help the counselor select the activities they prefer to do on their cruise.

Whether cruising to Alaska, the Baltic, Bermuda, the Caribbean, or on one of our Hanukkah/Christmas sailings, young cruisers will have a fun and memorable experience to take home with them.

DINING

There are four open-seating main restaurants plus the Pool Grill - a surprising number for a ship of her size! Waiters recruited from some of the world's finest restaurants and hotels provide our renowned "Above & Beyond" service. A choice of fine, complimentary wine is poured nightly, or a professional sommelier will be pleased to discuss alternatives available for purchase from the *Seven Seas Voyager's* wine cellar. And if you prefer to dine en suite, you may order selections from the chef's nightly menu during regular dining hours - while the room service menu is available 24 hours a day.

Compass Rose Restaurant - The *Seven Seas Voyager's* largest restaurant is spacious and absolutely stunning. Tables are arranged so that most guests have a picture window view, and thanks to the handsome etched glass partitions, you'll feel like you're dining in a much more intimate room. Menus include continental specialties as well as vegetarian and spa cuisine.

Signatures Restaurant - Enjoy the cuisine of Le Cordon Bleu® of Paris, undoubtedly the most famous cooking school in the world amid the elegant atmosphere of Signatures with its white table lines, burgundy chairs and the soft glow of candlelight. Choose a traditional French specialty such as *escargots* or *canard à l'orange* or select from the *Menu du Monde* featuring cuisine from around the world, all prepared using the Cordon Bleu method.

Latitudes - This open-galley restaurant features menus that have been artistically developed to celebrate the modern American Palate. From the Great Northwest to California, Texas, Illinois, Florida, New York and even Hawaii, Latitudes combines the finest regional wines and specialties paired with carefully selected music. A most unique and memorable dining experience!

La Veranda - The festive La Veranda is filled with the light-hearted bonhomie you might find in a small trattoria or French brasserie. Here you can enjoy an enticing mix of Mediterranean cuisine with a North African influence. Stuffed aubergines, for example, or Lamb Tagine with dried Figs and Almonds. La Veranda is also the venue for elaborate breakfast and lunch buffets in a more casual atmosphere.

SPECIAL DIETARY REQUESTS

Using the Guest Information Form, please advise Radisson Seven Seas Cruises between four and six weeks prior to sailing of any special dietary requirements you may have. General dietary needs such as low salt or low cholesterol foods can be satisfied onboard the ship just by speaking with the dining wait staff.
