ENTERTAINMENT

Yachting is a highly personal experience and so is SeaDream's entertainment. There are no glitzy revues, no revolving stages with smoke and mirrors. There is an intimate Piano Bar, light music in the Main Salon along with first run movies and other special films in the Main Salon or by moonlight in the aft pool deck. There are CDs and DVDs available for use in the staterooms and iPods loaded with a large selection of music. Since SEADREAM guests are yachting, they also find ways to entertain themselves whether indulging in the art of conversation, a quiet moment to catch up on their reading, trying their luck at the Casino, taking time for an after dinner brandy and a cigar at the Top of the Yacht Bar, or requesting a tune at the Piano Bar, there is always something or someone to share the events of the day with.

DINING

Award-winning, Fine Dining – SEADREAM's open-seating award-winning dining and service aboard either one of the yachts is a gourmet experience that has been highly rated in authoritative guides and other publications. On SEADREAM, guests are able to dine both indoors and outdoors in high style with a casual ambience.

The Main Dining Salon is an elegant indoor space, large enough to accommodate all guests. The menu is an eclectic combination of classics and international offerings. The Maitre'd assists each guest in their preference of seating, whether in small or large group or at a table for two. Dining is also hosted in the Topside Restaurant, open to the sea breezes and views. If a couple wishes to dine privately, there are small alcoves where they may do so.

During the day, fresh sandwiches may be found at the Top of the Yacht Bar and by the swimming pool. Also available is a 24-hour room service menu featuring light, healthful offerings. Finally, wide selections of specially prepared Canapés are served during cocktails in the Main Salon.

The Wine Cellar – SeaDream sommeliers are masters of their wine cellars at sea. SEADREAM wine list features many of the top Old world and New world varieties and an array of little-known, but surprisingly enticing wines that are available for purchase. The Sommeliers also pour a complimentary selection of fine reds and whites at lunch and dinner.

No Tux for Guys, No Gala Gowns for Gals – The SEADREAM yachting experience is casually elegant. There is no formal dress code. When asked about what guests wear during the day or in the evening, the question is always answered by using the phrase "Resort Casual"--- sportswear for the activity of your choice, easy to wear and comfortable attire for shore-side visits and casually elegant resort wear for evening.

Gratuities - Guests aboard do not have to carry cash or sign tabs. No tipping is necessary.
